Who is Shamanta Builders ?

We are one of the most leading and rising brand in the field of Real Estate. We are engaging in the activities of land developing and building the properties at Dholera SIR, Gujarat India, Indias first smart city.

Woman empowerment.

To create various opportunities for the woman empowerment is our core ideology. It is necessary to empower woman by giving them their happy dream homes. We encourage the woman to have the properties in their name so that she will have freedom of ownership to which she can say this is my and this belongs to me. For a married woman to have her own property is a great privilege for a woman. And so we encourage the men also to give that respect and privilege what an each Indian woman deserve to have.

We are dealing in residential, commercial, industrial, weekend villa, hotel and resorts, agriculture lands, NA, NOC title clearance. Our expertise is to provide the best investment solution to your financial, economical and emotional need.

Our Vision

Our vision is to give best investment solution to satisfy the emotional and financial need of the investor by offering the best advanced designed infrastructure plans in the most affordable rate and quality. Our vision is to create our brand name by offering diversity in properties, paramount quality and time bound services.

Our Mission

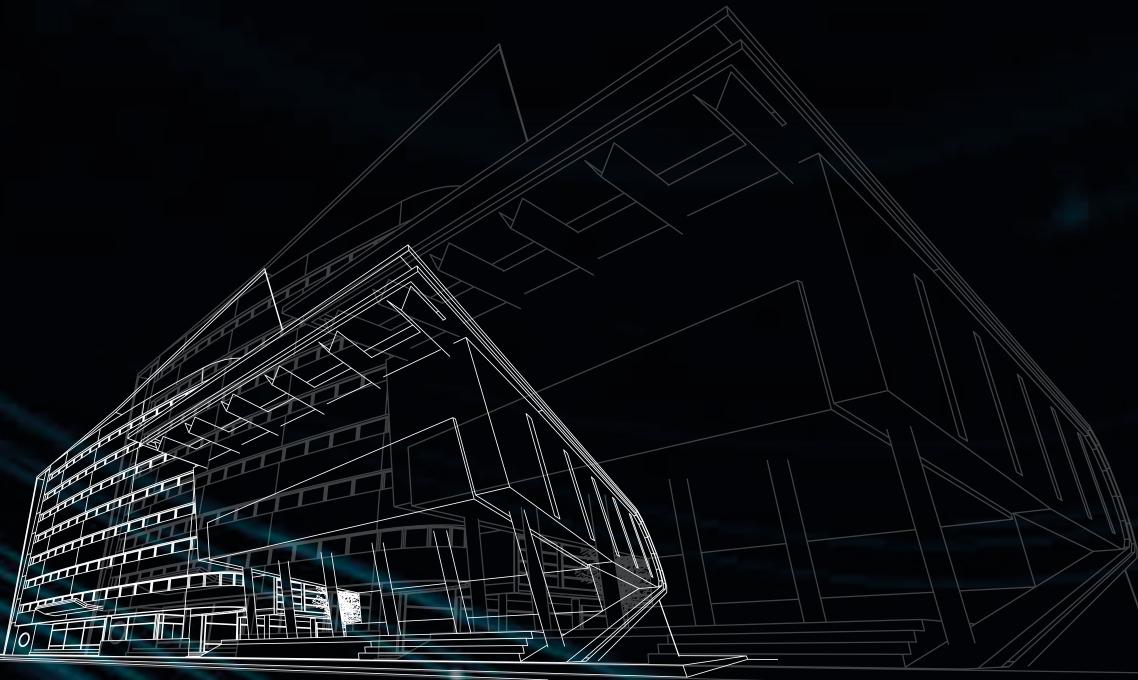

Our mission is to develop number of townships, villas, commercial buildings by 2030 at Dholera SIR and to be a top most reliable company as a developer and builder and serve the best among the industry. We also want to create woman employment and empowerment in the field of real estate. We encourage the woman to fulfil their dream give them their dream houses.

Why To Invest In Dholera ?

Dholera Project is probably one of the biggest that Indian government has ever visualized - A project that shall be twice the size of Mumbai and six times that of Shanghai.

Dholera SIR Project being the first one. The Dholera project encompasses an area of 920 square kilometers and is being developed in the state of Gujarat. The dream project of Mr. Modi, Dholera SIR Project took birth long before he became the Prime Minister of India. The city shall be made up of uncompromised infrastructure and state of art technology. Dholera Project shall be a home to millions of people in search of affordable housing and thousands of companies looking for a place to establish and expand their businesses.

SHAMANTA

R E S I D E N C Y

A 3D rendering of a large, modern residential complex. The main building features large, white, 3D letters spelling "SHAWAN RESIDENCE". The complex is set on a green lawn with several palm trees. In the background, a road with a blue curb and a white line is visible, with house numbers ranging from 32 to 472. The overall scene is bright and modern.
